“Without vigorous, farsighted and continuing encouragement of fundamental scientific research, we are in the position of eating our seed corn. We may fend off starvation for one more winter, but we have removed the last hope of surviving the following winter.”

—Carl Sagan

Ohio Cancer Research Associates is an independent statewide, nonprofit organization dedicated to the cure and prevention of the many forms of cancer and the reduction of its debilitating effects through **aggressive basic seed money research**, public information and awareness. **Ohio Cancer Research Associates** is not affiliated with any other organization.

Over \$17 million has been spent on cancer awareness and seed money research projects. Of that amount, *\$6.4 million in seed money* provided by **Ohio Cancer Research Associates** *has generated over \$158.8 million in new money* from other sources to continue basic cancer research on projects initially funded.

Individual researchers have been funded at The Cleveland Clinic, Case Western Reserve University, MetroHealth Medical Center in Cleveland, The Ohio State University, Nationwide Children’s Hospital in Columbus, Cincinnati Children’s Hospital Medical Center, University of Cincinnati, University of Dayton, Wright State University, Ohio University, Bowling Green State University and University of Toledo.

Ohio Cancer Research Associates is recognized as a 501 (c) (3) organization. Donations are accordingly tax deductible. (EIN 31-1038309)

Ohio Cancer Research Associates Special Events are presented to raise funds for seed money cancer research and to increase awareness of the importance of early detection in saving lives. See your doctor for regular checkups.
